

# Joshua and Jericho Activity Sheet

CHRISTIAN SCHOOLS WORKERS  
HASTINGS

## STORY REFLECTION

**Have you read the story yet? You can find the link to it on our website.**

*In our story we heard about how the Israelites were trying to get into the land God had promised them but there was a city surrounded by walls in their way. Joshua trusted in God and was obedient to what God told him to do and the walls came crashing down.*

*Is there anything in your life that is standing in your way or that might feel like a Jericho to you?*

*What could you do to break down the walls so its no longer in your way. Maybe you could say a prayer to God to help you overcome it.*

*God told Joshua to "Be Strong and Courageous"  
Is there a way you can be strong and courageous today?*

## FAMILY TIME!

**Lets play a game of Jericho falls**  
**(Musical Bumps)**

*You will need:*

- 2 or 3 people to play
- Music

Ask an adult to play some music and to stop the music at random moments. Whilst the music plays dance around the room. When the music stops sit on the floor as quickly (and as safely) as possible. The last person to sit down is out.

## Jenga

*You will need:*

- A game of jenga or equivalent game

Follow the instructions for the game. Removing a piece at a time and trying not to knock over the tower.

## CRAFT TIME!

### Israelite Horns!

*You will need:*

- Printer
- Paper
- scissors
- glue.

*Print and cut out the template on page 3. Then colour and decorate.*

*Fold over and glue the tab and stick it to the other end of the back of the template to create a horn shape.*

## CRAFT TIME!

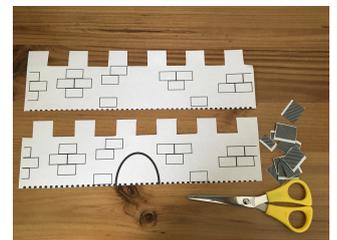

### Paper Jericho

#### You will need:

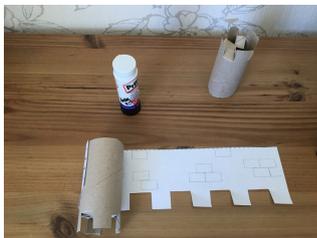

- 4x toilet paper tubes (or a wrapping paper tube cut into 4 4inch pieces.)
- Printer
- Paper
- scissors
- glue.

Take each tube and cut 8 times evenly into it to create 8 flaps. Fold every other flap inwards to create the turret shape.

Print out pages 4 and 5 and cut along the dotted lines. Then cut out the blacked out squares as shown above to create the top of the walls.

Take one of the side pieces (the ones without the door) and glue one end around one of the side of the tube.

Do the same to the other side.

Repeat this so you then have two of the side walls finished. Stand the two sides you have finished up.

Glue the edges of the last side and front piece and wrap them over the tubes of both of the sides and stick down. This should create 4 walls.

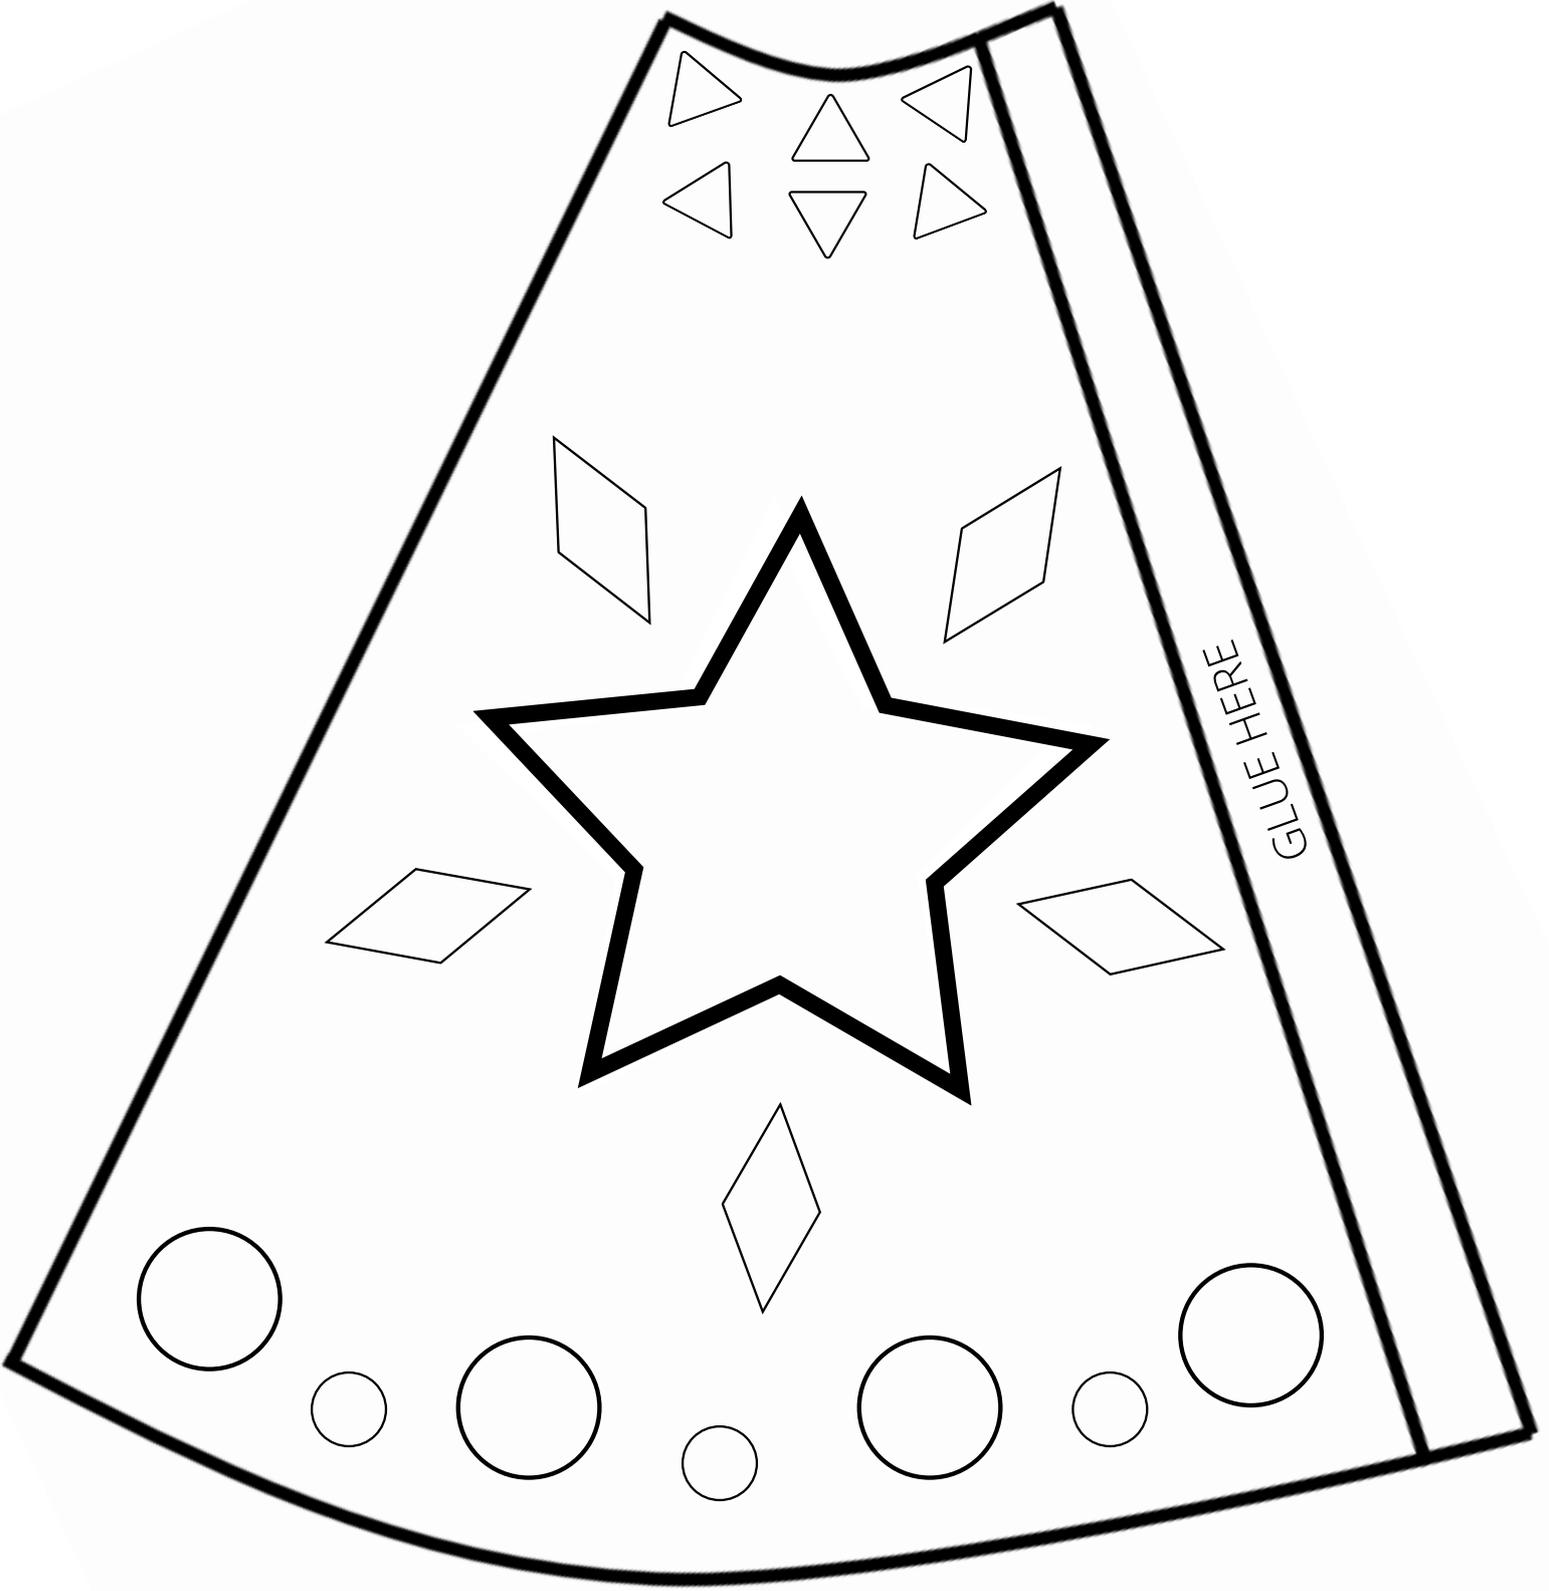

#### EXTRA IDEAS

Now you have your Jericho. Maybe you could act out the story with some play figures. If you wanted, you could ask an adult to help you to film it and make a video of the story!

(For ages 6 + with an adults help)

WE WOULD LOVE TO SEE YOUR ISRAELITE HORNS & YOUR JERICO. ASK AN ADULT TO TAKE A PHOTO AND EMAIL IT TO:  
TEAM.LEADER@CSWH.CO.UK
